Message from the Vice-Chancellor

In the ever changing and dynamic business scenario today, analysing business problems and recommending solutions promptly is the need of the hour. Integration of data and analyticsaid organisations in gaining revenue-generating insights from data and building future strategies for growth. The ability to design corporate strategies, take business decisions based on data gives organizations a competitive edge and thus the demand for business analysts arises.

Indian Institute of Foreign Trade established in 1963 as primarily a hub of training and research in the area of International Trade and Business. It has also diversified into allied fields over the last 5 years. IIFT now has its reach in academic programmes, consultancy and research projects in the area of International Trade, Economics and now Business Analytics. Recognizing the contribution IIFT made to the society, it was accorded the status of “Deemed to be University” in 2002. Being graded as ‘A’ category institute in 2005 and 2015 by NAAC. AACSB accreditation to IIFT is a feather in the cap. The Institute has MOUs with leading universities/institutions across the globe for enhancing exchange of knowledge in the area of its expertise.

IIFT in order to expand and disseminate knowledge in the domain of Analytics and International Business has launched the present 5 year Integrated Programme in Management (IPM) at Kakinada, Andhra Pradesh. The programme has been designed considering the New Education Policy 2020, which will aid in holistic development of the students and build a strong foundation in the area of management and analytics. The programme also provides opportunities to the students to develop their communication skills, interact with industry and academia as well as undertake a number of co-curricular activities. The aim of this programme is to build a class of young and energetic business managers who will take forward the legacy of IIFT in delivering excellence in the profession they get into.

IIFT is committed to provide world class facilities to the students selected for this programme that include comfortable hostels, state of the art teaching facilities and a conducive learning environment.

I, extend a warm invitation to you to join this programme and secure your future by associating yourself with brand IIFT.

About the Institute

The Indian Institute of Foreign Trade (IIFT) was established in 1963 as an autonomous body under the Ministry of Commerce & Industry to contribute in the skill building for the external trade sector of India. It has come a long way to successfully develop into a unique institution involved in imparting knowledge through research and training in international business and trade. The Institute was granted “Deemed to be University” status in 2002. The National Assessment and Accreditation Council (NAAC) has recognized IIFT as Grade ‘A’ Institution in 2005 as well as in 2015. Over the years, IIFT has emerged as a national university with focus on International Business Management and Strategy, and such focus is reflected in all three major activities of the Institute: Research, Training and Education.

Objectives & Activities

IIFT was set up with the following objectives:

- Impart professional education in modern management techniques relevant to international business.
- Enable the participants to appreciate the inter-relationship between the diverse and complex tasks of international business.
- Develop capacities among business executives for improved understanding of various trade and economic issues.
- Conduct high quality research that addresses domestic as well as world trade and business issues.

The Institute’s portfolio of long-term programmes is diverse, catering to the requirements of aspiring international business executives and mid-career professionals alike. These are:
