on
‘Leadership and Excellence in Professional Education’
Proposed Dates: 12th -16th July 2021

ABOUT THE INSTITUTE

Indian Institute of Foreign Trade (IIFT) New Delhi is a Premier Institution and Think Tank Set up by Ministry of Commerce and Industry, Government of India in 1963 primarily engaged in education, training, and research in International Business. The mandate given to the Institute was to carry out research and to help the Government of India in policy formulation process for the external sector. The Institute offers MBA in Full-time and Part-time mode, PhD Programmes, Executive Programmes and Certificate Programmes in the different fields of Management for working professionals. The Institute also conducts research, capacity building and management development programmes for government and industries. IIFT continuously ranked as Top- Business School in the country by various ranking agencies in India.

ABOUT ATAL ACADEMY

AICTE Training and Learning (ATAL) Academy is established with the vision “To empower faculty to achieve goals of Higher education as an access, equity and quality.” AICTE is committed for development of quality technical education in the country by initiating various schemes launched by Govt. of India, Ministry of Human Resource Development council understand that there is a need of the day to train the young Generation in skill sector and having faculty and technicians to be trained in their respective disciplines.

PROGRAMME OBJECTIVE

To sensitize the faculty and scholars to take on increasing leadership roles in their organizations. Academic leadership demands that leaders pay serious attention to leadership styles. This goal of excellence can be achieved by grooming faculty to continue making reforms in teaching-learning environments, while making great strides in learning environment and by developing teachers as the saviours of institutions. Professional Education leaders can achieve goals by inspiring faculty to connect with industry to achieve goals and leave a legacy. Following are the objectives of the programme:

- To explore the leadership challenges in Higher Educational Institutions in National and Global Level
- To understand the role of good governance in HEIs
- To learn best practices for managing HEIs and scaling at the global level
- To learn new age pedagogy in Professional education

WHO SHOULD REGISTER/ENROLL

Faculty Members, Research Scholars from AICTE approved institutions, universities, and Industry Practitioners. Registration for the workshop will be on first come first serve basis. **No registration fee** will be charged from the participant.

HOW TO APPLY
