INDIAN INSTITUTE OF FOREIGN TRADE
DEEMED TO BE UNIVERSITY
(Department of Commerce, Government of India)
NEW DELHI

Certificate Programme in Export- Import Management

(December 2020 – March 2021)

In order to upgrade the knowledge of working executives of export enterprises, service agencies and institutions like banks, insurance, chambers of commerce and enhance their operational competence, the Indian Institute of Foreign Trade (IIFT), New Delhi, has been offering a 4-month Certificate Programme in Export Management since 1978. A thorough knowledge of the various facets of international business is important in the present global economic and trading environment. Intense competition in world markets, in particular, poses a challenge to executives engaged in export marketing pursuits. Unless they keep themselves abreast with the new developments, rapid changes in international business practices and innovative marketing strategies pursued by the competitors, export executives cannot effectively capitalize on the available or emerging market opportunities.

OBJECTIVES

The objectives of the Programme are:

- Providing an overall perspective on the international business environment and economic relations.
- Developing analytical skills for identifying export - import opportunities and undertaking export marketing in countries offering export - import potential for wide ranging products of Indian origin.
- Developing an understating towards export - import procedures & documentation. Imparting knowledge in the area of logistics.
- Enhancing benefits from exports - imports by understanding foreign trade policy.
- Enabling participants to export import by leveraging the available options of trade finance.
