

CERTIFICATE PROGRAM IN GLOBAL SUPPLY CHAIN MANAGEMENT

(MARCH-MAY 2020)

**FOR DIRECTORATE GENERAL RESETTLEMENT,
DEPARTMENT OF EX-SERVICEMEN WELFARE
GOVT. OF INDIA**

About the program

The pressures of globalization and privatization have forced the organizations to find out the ways for delivering better than its competitor. They have realized that, the differentiation strategy based on supply chain is the key for success and survival in this era. The management of supply chain not only spans suppliers but extends up to employees and distributors in a seamless manner. The key philosophy of SCM covers overall improvement in productivity and profitability of all business partners. The program is designed to provide the basic understanding of supply chain management in the global business environment and to create awareness of its contributions to the organization.

Pedagogy

The methodology adopted will be easy to understand with far-reaching impacts. Lecture presentations, Panel Discussions, Group Work as well as the reality-based Case Studies with global perspectives would be the key essentials and deliverables of the program. Sessions are designed to be interactive and participative. It will leverage the use of technology. It will consist of a judicious blend of lectures, real life case studies, quizzes and assignments. The program will also include visits to key organisations in international Supply Chain Procedures followed by a self-financed sea*/dry port visit.
