About IIFT

Indian Institute of Foreign Trade (IIFT) was established in 1963 by the Ministry of Commerce, Government of India with the objective of imparting Management Education in International Business, conducting research on issues related to global economic environment and trade policies. It is the pioneer Institute for Capacity Building Programs and has been shaping up a plethora of executives for more than 55 years. In its journey IIFT has constantly been the 'think tank' for the Government in various functional areas and specialized verticals and has been imparting well-structured academic knowledge on Foreign Trade and International Business Management. It has been accredited by NAAC as 'A grade' Institution and has also been accredited by AACSB (Association to Advance Collegiate School of Business), a U.S. based quality accreditation and has entered in the premier league of top 15 Indian educational institutions.

INTERNATIONAL COLLABORATIONS

IIFT has been successfully strengthening its relationship with regional as well as international Institutes. IIFT has strong international collaborations with the following organizations:

- Academy of International Business (AIB).
- Global Compact Network of India.
- The European Foundation for Management Development (EFMD).

Management Development Programs at IIFT

IIFT offers executive education through Management Development programs (MDP). MDPs has been one of the major activities of the Institute, at the time since its inception in 1963, it was envisaged that IIFT should become a Centre of excellence for Executive Development Program in International Business, and today, it has emerged as a knowledge resource division catering to the needs of managers and executives at all levels drawn from the corporate, government and public sectors both in India and abroad.

MDP Division offers programs for ISS, IFS, IAS, IRS, ITS, PSUs ETC for the corporate sector executives and Government officers. In addition to regular training program conducted throughout the year, MDP division also conducts various certificate and Executive Development program via hybrid and online mode. In the recent past, the division has conducted a series of online program under Nirayat Bandhu Scheme of DGFT, Government of India in which above 1200 exporters / entrepreneurs across country have been provided skill based training in Export Import Business. Series of capacity building program for ITI principals and Employment exchange officers spread across country have also been conducted in order to address the existing employment gap in the country.
