

Dual Degree Programs

As per UGC regulations, Dual Degree Programs can be jointly designed and offered by the IIFT and its partner institutions in the same disciplines/subject areas and in the same level. The degrees for such programs shall be conferred by IIFT and the partner institution, separately and simultaneously, upon completion of degree requirements of both the institutions. The Dual Degree Program is not a two degree program in separate disciplines/subject areas and/or levels being pursued simultaneously. ICCD has entered a MoU with the following partner university for offering Dual Degree Programs, while some more such offerings are under discussion with partner universities in line with the relevant UGC Guidelines applicable for the same.
