Submission Guidelines

The 10th conference of the Indian Academy of Management (INDAM 2025) calls for full-length research papers aligned with the conference tracks; abstracts and extended abstracts are not accepted. There are no restrictions on the chosen research methodology.

❖ Each paper can be submitted to only ONE track.
❖ Submitted papers must not have been published or accepted for publication or if a paper is under review, it must NOT appear in print or online before INDAM 2025 conference.

Formatting Style:
Please follow these strict formatting guidelines to ensure your paper is reviewed. Submissions that don't comply will be rejected without review.

❖ 40 pages maximum, including everything (title, figures, tables, appendices, references, and abstract). The word limit should be between 5000 and 7000 words. The word count excludes references, tables and figures. The submission should also include an abstract of maximum 150 words, which may be included in the conference proceedings.
❖ Use Times New Roman 12-point font, double-spacing, justified alignment throughout the main text and 1-inch (2.5 cm) margin all around, 8.5" × 11" page setting. References may be single spaced.
❖ The entire paper submission (title page in Title Case, abstract, main text, figures, graphs, tables, references, etc.) must be in one document. Submit your document in either Portable Document Format (.pdf) or Microsoft Word (.doc or .docx). Use A4 paper in portrait orientation.
❖ Number the pages of the document for easy reference.
